Introduction

It is the responsibility of the head of centre to ensure that Iveshead School has in place for inspection a written conflicts of interest policy that must be reviewed and updated annually. This policy confirms that Iveshead School:

Manages conflicts of interest **by informing the awarding bodies**, before the published deadline for entries for each examination series, of:

- any members of centre staff who are taking qualifications at their own centre which include internally assessed components/units
- any members of centre staff who are teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) for qualifications which include internally assessed components/units, **and**

maintains internal records of all instances where:

- exams office staff have members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) being entered for examinations and assessments either at the centre itself or other centres
- centre staff are taking qualifications at their own centre which **do not** include internally assessed components/units
- centre staff are taking qualifications at other centres (GR 5.3)

Purpose of the policy

The purpose of this policy is to confirm how Iveshead School manages conflicts of interest under normal delivery arrangements in accordance with the regulations.

General principles

A process is in place to collect a declaration of interest from all centre staff to identify and manage any potential conflicts of interest. This is sent from the Exams Officer to all Centre Staff to help identify and resolve any potential conflicts of interest

Declaration process

An electronic declaration of interest form is sent to all centre staff during the academic year. The deadline for this form is set by the exams team.

Managing conflicts of interest

For internal recording purposes, a conflicts of interest log is maintained and any potential conflict declared by the centre staff is centrally recorded on the log. The relevant awarding bodies are informed (where required by the nature of the conflict) of specific conflicts of interest/centre staff declarations before the published deadline for entries for each examination series by identifying and following the individual awarding body's administrative process.
