This plan is reviewed and updated annually to ensure that contingency planning at Iveshead School is managed in accordance with current requirements and regulations.

Purpose of the plan

This plan examines potential risks and issues that could cause disruption to the examination and assessment process.

By outlining actions/procedures to be invoked in case of disruption it is intended to mitigate the impact these disruptions have on processes at Iveshead School.

Alongside internal processes this plan is informed by the Ofqual **Exam system contingency plan: England, Wales and Northern Ireland** which provides guidance in the document 'What schools and colleges and other centres should do if exams or other assessments are seriously disrupted', the **JCQ Joint Contingency Plan** for the Examination System in England, Wales and Northern Ireland and the JCQ document **Preparing for disruption to examinations**.

This plan details how Iveshead School complies with the JCQ's **General Regulations for Approved Centres** (5.3 *Centre management*) by having in place for inspection that must be reviewed and updated annually by a member of the senior leadership team and communicated within the centre:

- a contingency plan which covers all aspects of examination/assessment administration and delivery

Contingency arrangements

The centre **must** have an up to date written contingency plan.

The contingency plan **must** cover all aspects of examination/assessment administration and delivery. Senior leaders **must** have robust contingency arrangements in place that will minimise the risk to examination/assessment administration and delivery and any adverse impact on candidates.

The plan **must** cover the following scenarios:

- the head of centre, relevant senior leader(s) with oversight of examination and assessment administration, SENCo (or equivalent role), examinations officer or any other key staff essential to the examination process being absent at a critical stage of the examination cycle
- the potential impact of other events such as flooding which could lead to all or parts of the centre becoming unavailable
- potential issues with the centre's IT systems

As part of the contingency plan the centre **must** identify an alternative site or alternative sites which can be used if examinations cannot be conducted at the registered address. Larger centres may require more than one potential alternative site or different sites for different year groups.

The centre **must** have at least one senior member of staff (senior designated contact) who is available to manage emergency requests from awarding bodies that are results related during the summer holidays. However, a number of contacts can be provided to reduce the risk of this falling on one individual throughout the summer holidays.

The centre **must** ensure where candidates' work is produced electronically it is backed-up and should consider the contingency of candidates' work being backed-up on two separate devices, including one off-site back-up via the Cloud. Appropriate security arrangements must be implemented which protect candidates' work in the event of IT system corruption and cyber-attacks. (GR 3.17-19)

Operating across more than one centre

Not applicable

National Centre Number Register and other information requirements

The head of centre will ensure that the centre completes the National Centre Number Register annual update by the end of October every year (even if there are no changes to centre details) which includes providing senior designated contact details (this might include a personal mobile number and/or email address). These must be the contact details of someone who can be reached in an emergency if the centre is

closed over the summer and who can mobilise resources to respond to the issue. (GR 5.3)

Head of centre/senior leader(s) with oversight of examination and assessment administration absence at a critical stage of the exam cycle

Where the head of centre may be absent at a critical stage of the examination cycle, main duties and responsibilities will be delegated to an appropriate member of the Senior Leadership Team

Centre actions to mitigate the impact of the disruption listed above

The centre will:

- Have SLT to nominate a 'deputy' to cover the role / task. This would normally be a member of the admin team. Extra help could be called on from other members of the exams team and lead invigilators.
- Extra help could be sought by networking with staff from other local centres or other trust schools
- Deputy staff to be given access to secure storage procedures, including key codes for the door, usernames and passwords for the staff network and secure exam website if required
- Always report long term absence to the exam boards so they are aware of the situation. They are quite often prepared to help and can be flexible with deadlines, etc. in these circumstances

2. SENCo (or equivalent role) extended absence at a critical stage of the exam cycle

Criteria for implementation of the plan

Key tasks required in the management and administration of the access arrangements process within the exam cycle not undertaken including:

Planning

Other criteria:

No other criteria identified

Centre actions to mitigate the impact of the disruption listed above

The centre will:

- Nominate a 'deputy' to cover the task / role - this would usually be the Assistant SENDCo or the SENCO from another trust secondary school
- Appoint qualified assessor(s) to test candidates in place of the SENCO
- Involve the assistant SENDCo to arrange student support during all exams

3. Teaching staff (or other key staff essential to the examination process) extended absence at a critical stage of the exam cycle

Criteria for implementation of the plan

Key tasks not undertaken including:

- Early/estimated entry information not provided to the exams officer on time; resulting in pre-release information not being received
- Final entry information not provided to the exams officer on time; resulting in candidates not being entered for exams/assessments or being entered late/late or other penalty fees being charged by awarding bodies
- Non-examination assessment tasks (including controlled assessment and coursework) not set/issued/taken by candidates as scheduled
- Candidates not being informed of centre assessed marks before marks are submitted to the awarding body and therefore not being able to consider appealing internal assessment decisions and requesting a review of the centre's marking
- Internal assessment marks and candidates' work not provided to meet awarding body submission deadlines

Other criteria:

No other criteria identified

Centre actions to mitigate the impact of the disruption listed above

Ofqual

Ofqual guidance extract taken directly from the **Exam system contingency plan: England, Wales and Northern Ireland - What schools and colleges and other centres should do if exams or other assessments are seriously disrupted** www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland/what-schools-and-colleges-should-do-if-exams-or-other-assessments-are-seriously-disrupted

"This document was updated in October 2023 to include Ofqual's final decisions on long-term resilience arrangements, and the Department for Education (DfE)'s guidance for education settings with confirmed reinforced autoclaved aerated concrete (RAAC).

In addition to this guidance, you will need to be aware of your specific responsibilities for local and national school preparations and contingencies. You should also follow advice from relevant public health bodies.

Contingency planning

Awarding organisations are required to establish, maintain and comply with an up-to-date detailed written contingency plan, to mitigate any incident they have identified may occur. This includes having communication plans for external parties ([Ofqual General Condition of Recognition A6](#)). Schools and colleges should also be prepared for possible disruption to exams and assessments and make sure staff are aware of these plans.

Disruption to assessments or exams

In the absence of any instruction from the relevant awarding organisation, you should make sure that any exam or timetabled assessment takes place if it is possible to hold it. This may mean relocating to alternative premises. You should discuss alternative arrangements with your awarding organisation if:

- the exam or assessment cannot take place
- a student misses an exam or loses their assessment due to an emergency, or other event, outside of the student's control

You may also wish to see the [JCO's notice to centres on exam contingency plans](#) and [JCO's notice on preparing for disruption to examinations](#) in England, Wales and Northern Ireland for qualifications within its scope.

Steps you should take

Exam planning

Review your contingency plans well in advance of each exam or assessment series. Consider how, if the contingency plan is invoked, you will comply with the awarding organisation's requirements.

Schools, colleges and other exam centres must speak to the relevant awarding organisations as soon as possible if they are expecting any disruption that might affect the sitting of exams and assessments.

In the event of disruption

- Contact the relevant awarding organisation and follow its instructions.
- Take advice, or follow instructions, from relevant local or national agencies in deciding whether your centre is able to open.
- Identify whether the exam or timetabled assessment can be sat at an alternative venue, in agreement with the relevant awarding organisation, ensuring the secure transportation of questions papers or assessment materials to the alternative venue.
- Where accommodation is limited, prioritise students whose progression will be severely delayed if they do not take

their exam or timetabled assessment when planned.

- In the event of an evacuation during an examination please refer to JCQ's [Centre emergency evacuation procedure](#)
- Communicate with students, parents and carers any changes to the exam or assessment timetable or to the venue.
- Communicate with any external assessors, invigilators or relevant third parties regarding any changes to the exam or assessment timetable.

After the exam

- Consider whether any students' ability to take the assessment or demonstrate their level of attainment has been materially affected and, if so, apply to the relevant awarding organisation for special consideration.
- Advise students, where appropriate, of the opportunities to take their exam or assessment at a later date.
- Ensure that scripts are stored under secure conditions.
- Return scripts to awarding organisations in line with their instructions. Never make alternative arrangements for the transportation of completed exam scripts, unless told to do so by the awarding organisation.

Steps the awarding organisation should take

Exam planning

- Establish and maintain, and at all times comply with, an up-to-date, written contingency plan.
- Ensure that the arrangements in place with centres and other third parties enable them to deliver and award qualifications in accordance with their conditions of recognition.

In the event of disruption

- Take all reasonable steps to mitigate any adverse effect, in relation to their qualifications, arising from any disruption.
- Provide effective guidance to any of their centres delivering qualifications.
- Ensure that where an assessment must be completed under specified conditions, students are able to complete the assessment under those conditions (other than where any reasonable adjustments or special considerations require alternative conditions).
- Promptly notify the relevant regulators about any event which could have an adverse effect on students, standards or public confidence.
- Coordinate its communications with the relevant regulators where the disruption has an impact on multiple centres or a wide range of learners.

After the exam

Consider any requests for special consideration for affected students; for example, those who may have lost their internally assessed work or whose performance in assessments or exams could have been affected by the disruption.

If any students miss an exam or are disadvantaged by the disruption

If some of the students have been adversely affected by the disruption, you should ask the awarding organisation about applying for special consideration.

Decisions about special consideration, when it is or is not appropriate, is for each awarding organisation to make. Their decisions might be different for different qualifications and for different subjects, depending on their specific policies.

See also [JCQ's guidance on special consideration](#)

Wider communications

The regulators, [Ofqual](#) in England, [Qualifications Wales](#) in Wales and [CCEA Regulation](#) in Northern Ireland, will share timely and accurate information, as required, with awarding organisations, government departments and other stakeholders.

The [DfE in England](#), the [DfE in Northern Ireland](#), and the [Welsh Government](#) will inform the relevant government ministers as soon as it becomes apparent that there will be significant local or national disruption, and ensure that they are kept updated until the matter is resolved.

Awarding organisations will alert the [Universities and Colleges Admissions Service](#) (UCAS) and the [Central Applications Office](#) (CAO) about any impact of the disruption on their deadlines and liaise regarding student progression to further and higher education.

Awarding organisations will alert relevant professional bodies or employer groups if the impact of disruption particularly affects them.

Widespread national disruption to the taking of examinations or assessments

As education is devolved, in the event of any widespread sustained national disruption to examinations or assessments, national government departments will communicate with regulators, awarding organisations and centres prior to a public announcement. Regulators will provide advice to government departments on implications for examinations and assessments, including exam timetables.

In September 2023, Ofqual and the DfE published [joint consultation decisions on long-term resilience arrangements](#). As in 2023, Ofqual has provided [guidance on collecting evidence of student performance to ensure resilience in the qualifications system](#) for students entering GCSEs, AS and A levels, the Advanced Extension Award and Project qualifications. For VTQs and other qualifications used alongside or instead of GCSEs, AS and A levels, awarding organisations will provide guidance where needed and will contact schools and colleges with more information.

In December 2022, Qualifications Wales published [guidance for contingency assessment arrangements](#) for GCSEs, AS and A levels and Skills Challenge Certificates in the event that a national decision is made to cancel exams. This guidance is still relevant for the current academic year.

The DfE has updated its guidance on [handling strike action in schools](#) in England in light of the industrial action in 2023. The guidance recommends schools should prioritise the running of examinations and assessments on any strike days, and should review their contingency plans to make this happen. Schools, colleges and other exam centres must speak to the relevant awarding organisations if they are expecting any disruption that might affect the sitting of exams and assessments.

The DfE has also issued [guidance for education settings with confirmed reinforced autoclaved aerated concrete \(RAAC\)](#) in their buildings. It includes the need for contingencies for possible disruption to examinations and links to the existing emergency planning guidance.

We will update this page as necessary, with any further relevant links, should national disruption occur.

JCQ

JCQ guidance taken directly from [Instructions for conducting examinations 2025-2026](#) section 15, **Contingency planning**

"15.1 The qualification regulators, awarding bodies and government departments responsible for education have prepared and agreed information for schools and colleges in the event of examinations being seriously disrupted. This jointly agreed information will ensure consistency of response in the event of major disruption to the examinations system affecting significant numbers of candidates.

Further information may be found at: www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland

15.2 In addition, awarding bodies have their own well-established contingency plans in place to respond to disruptions. It is important that exams officers who are facing disruption liaise directly with the relevant awarding body or bodies.

15.3 All centres must have a written examination contingency plan which covers all aspects of examination administration. This will allow members of the senior leadership team to act immediately in the event of an emergency or where the head of centre, examinations officer or SENCo is absent at a critical stage of the examination cycle. The examination contingency plan should reinforce procedures in the event of the centre being unavailable for examinations owing to an unforeseen emergency.

All relevant centre staff must be familiar with the examination contingency plan. Consideration should be given as to how these arrangements will be communicated to candidates, parents and staff should disruption to examinations occur.

15.4 If the head of centre decides the centre cannot be opened for scheduled examinations, the centre's contingency plan must be invoked, utilising the centre's alternative site(s) and the relevant awarding bodies must be informed as soon as possible. Awarding bodies will be able to offer advice regarding the alternative arrangements for conducting examinations that may be available and the options for candidates who have not been able to take scheduled examinations.

15.5 The awarding bodies will designate 'contingency sessions' for examinations, summer 2026. This is consistent with the qualification regulators' document *Exam system contingency plan: England, Wales and Northern Ireland* - www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland

15.6 The designation of 'contingency sessions' within the common examination timetable is for use in the event of national or significant local disruption to examinations. It is part of the awarding bodies' standard contingency planning for examinations.

15.7 In the event that there is national disruption to a day of examinations in summer 2026, the awarding bodies will liaise with the qualification regulators and government departments to agree the most appropriate option for managing the impact. As a last resort, the affected examinations will be rescheduled. Although every effort would be taken to keep the impact to a minimum, it is possible that there could be more than one timetable date affected following the disruption, up to and including the last contingency day. Centres will be alerted if it was agreed to reschedule the examinations and the affected candidates will be expected to make themselves available in such

circumstances. The decision regarding the re-scheduling of examinations will always rest with the awarding body. The centre must conduct the examination on the scheduled date unless instructed to do otherwise by the awarding body.

15.8 Where candidates choose not to be available for the rescheduled examination(s) for reasons other than those traditionally covered by special consideration, they will not be eligible for enhanced grading. Centres **must**, therefore, ensure candidates and parents are aware of the contingency arrangements so that they may take them into account when making their plans for the summer. However, the awarding bodies will not insist upon candidates being available throughout the entire timetable period as a matter of course."
